# About Us

Jinan MORN Technology Co., Ltd (MORN GROUP LIMITED) is a professional manufacturer of CARGO LIFTS, CAR LIFTS, RESIDENTIAL LIFTS, AERIAL WORK PLATFORMS in northern China. Branded with MORN LIFT, we have been abiding by the motto "Safety, Service, Integrity, and Efficiency" since the company was founded in 1999.

We manufacture products strictly according to the People's Republic of China Machinery Industry standards and CE standards, keeping improving product quality and launch new products to satisfy market growth and respond to customer's feedback. We design, engineer and manufacture both custom and standard lift products for goods handling and aerial work, with full consideration of users' work requirements, installation sites and budgets. Safety, durability and efficiency are basic standards of our product quality.

Designed to improve users' work productivity while reducing the potential injuries, all our lift products are made of quality raw materials, international brand electric parts and advanced manufacturing techniques. We also employ the largest most experienced engineering staff in the business so a custom engineered solution is always an option. Customers come to MORN LIFT from a wide range of industries. View our products to find out more information about how we can help you solve your lifting and handling challenges whatever the industry or application. If the standard models fail to meet your requirement well, we can customize an ergonomic solution using a standard model for the base design to minimize costs or build a custom solution from the ground up.

Thanks to the concerted effort of our 360 experienced technicians, including 26 senior engineers and over 150 sales and professional pre-sales & after-sales staff, we have been able to double our growth rate year by year. Product quality and user's experience are the first priority in our business. We strive to make every customer's budget employ the maximum value.

Today, MORN LIFT has successfully applied for several national patents, and filled many gaps in the domestic market. Over two decades of development has laid a strong foundation for us to grow into a competitive leader of lift industry. Our ultimate goal is to create, innovate and maintain our industry leadership in the lift industry, and help every customer find the best lifting solution with their budgets.

Sincerely, it's our honor to provide product information, quotations and cooperation business for every customer. Look forward to building a win-win relationship with every of our customers.

## 关于我们

山东圣匠机械制造有限公司专业研发/生产液压升降平台，产品涵盖五大系列，货物升降平台、汽车升降平台、高空作业平台、家用电梯、物流搬运设备；

其中导轨式升货平台、剪叉式升货平台、剪叉式升车平台、家用电梯等定制化产品，除了在国内反馈良好以外，在欧美及中东地区也享有盛誉；定制化的解决方案、专业的设计、良好的服务、不断创新的理念使得我们在同行业中遥遥领先。

另外我们生产的剪叉式、臂式、铝合金式高空作业平台广泛用于厂房维护、工业安装、设备检修、物业管理、仓库、航空、机场、港口、车站、加油站、体育场、展览馆等许多行业和场所。

公司自成立以来始终坚持创新、持续研发、保证质量、重视售后，和霍尼韦尔、联想、尼康、三菱等保持良好的合作。先后通过了ISO9001的2000质量体系认证，并已通过了CE认证。除了国内市场，我们的产品还远销国外，并得到国外用户的认可和良好反馈。用质量成就产品，靠口碑赢得客户，我们一直致力于创新设计，提升品质和用户体验。

关于产品的详细信息、报价或商业合作，欢迎垂询！

# Home Lift with Glass Enclosure 玻璃罩家用电梯

Whether used in private houses or commercial buildings, our Home Lifts with Glass Enclosure help eliminate barriers that stairs may present for people especially those with limited mobility. Home lifts can provide access to different landings of a building without compromising architectural character. They are self-contained and need no hoistway or shaftway. The enclosure consists of aluminium alloy frame and tempered glass, forming a solid and durable structure.

无论是用于私人住宅还是商业楼宇，我们的玻璃罩家用电梯都有助于消除楼梯带给人们的障碍，特别是为那些行动不便的人提供便利。在不影响建筑结构的情况下，这种电梯不需要井道便可独立安装，安全到达不同楼层。玻璃罩外壳采用铝合金框架和钢化玻璃，结构坚固耐用。

# Home Lift with Cabin 轿厢式家用电梯

Whether used in private houses or commercial buildings, our Home Lifts with Cabin help eliminate barriers that stairs may present for people especially those with limited mobility. Home lifts can provide access to different landings of a building without compromising architectural character. They are self-contained and need no hoistway or shaftway. The outdoor vertical platform lift with a cabin can keep users away from chilly wind and rain to make users feel safe and warm.

无论是用于私人住宅还是商业楼宇，我们的轿厢式家用电梯都有助于消除楼梯带给人们的障碍，特别是为那些行动不便的人提供便利。在不影响建筑结构的情况下，这种电梯不需要井道便可独立安装，安全到达不同楼层。户外的轿厢式升降平台可以让用户远离恶劣天气的影响，在方便之外享受更多安全和温暖。
